Sensory Play

**The early years in education are crucial for developing a love of learning in every child, to support their transition to formal learning in the Primary School and beyond.**

# Come join us!

**Our experienced and fully qualified teaching team in the Early Years Foundation Stage (EYFS) support students in building confidence as they learn to explore, to think about and solve problems and relate to others in our new purpose-built classrooms and outdoor areas.**

**The varied learning environments provide a safe and structured setting in which the students can play, explore and learn through our varied curriculum.**

**In addition to the core areas of learning from the Early Years British Curriculum, students also enjoy specialist lessons in Malay, Music and Physical Education**
