In memory of Nicholas Chong Zhen Yi

"Dear Nick,

You were a good friend to everyone. I'm so glad that I met you. You also taught me a bit of Chinese and thank you for that. I hope we will see each other again. We miss you. RIP."

"Dear Nicholas,

In Year 7 we all miss you so much. I knew you were a smart and an amazing person. I hope you are resting in peace."

"Dear Nicholas,

You were an amazing friend, very kind, honest and trustworthy. Wherever you are, I will always remember you, you will always be in my heart. May your soul rest in peace."

"Nicholas,

We were very sad you are no longer with us. We will always remember you and will not forget your smile."

"Dear Nicholas,

You were such a lovely, kind and gentle person. A good student, a good friend to many, a good human being. We here at KIS will never forget you."

"Dear Nicholas and family,

I'm so sorry to hear the tragic news. I hope that you are now a little angel up in heaven and that you will look upon your family from where you are. You will always be in our hearts and prayers."

"Nicholas, you were a good friend. You were always helpful and always shared your chicken with me. I still remember the times when you scared me with bugs. Those were good times. Gone but never forgotten."

"Rest in peace our Champion, Comrade, Classmate, Partner, Friend, Nicholas. Until we see you again, ok? We all miss you so much. You're in safe hands now. We'll never forget you, we know you're beside us. I wanted to play bowling with you. I could've, should've, would've but I didn't. It's okay, I knew you would win because you were talented like that, a natural player."

"Even though you're not here in earth, I know you're still in our hearts and you will always belong in our hearts."

"There is a hole in the KIS community. Even those of us who didn't know Nicholas miss him, and will continue to do so."

"Hey Nick, you're probably not reading this but we miss you Nick. You were such a great friend and your smile brightened everyone's day. Rest in peace."
